Provides great cleaning of your laundry with very little quantity. It has a special stain-removing enzyme and a brightening agent to give your clothes white or coloured- a sparkling cleanliness. You will also love the long lasting fragrance feel of your clothes after every wash.

It is made from an advanced "Colour Change" formula that gets rid of tough lime scale and provides a sparkling shine to your toilet.

It has got a special 'oil and soil' removing surfactant combination which works with the other ingredients to kill 99.9% of germs, giving you clean and ultra- sanitized floors in every part of your home.

It is dosed with a high degree of solvent. One of the problems with ordinary glass cleaners is the presence of streaks after cleaning.

It has a special polymer that prevents the formation of white film on washed dishes. The products is specially designed to minimize wastage while providing total cleaning of your dishes

It is a concentrated formula with just one drop required to clean a dish. It instantly removes stubborn oil and grease while the gentle action of lime and neem provides that extra hygienic shine your dishes need.

Use for Cleaning household appliances such as Washing Machine, Dish Washers, Steam irons & Coffee Makers.
