INTERVIEW

DATTATRAY HARIBHAU KADAM

“ A SETBACK
IS A SETUP FOR
A COMEBACK,,

MY JOURNEY

Before entering the direct selling industry, I worked in the corporate sector. While employed, I pursued several part-time courses and diploma programs to enhance my skills and create better opportunities for growth. However, even after **10 years of professional experience**, I had not achieved the milestones I had envisioned for myself.

This led me to search for a business opportunity that could provide greater growth and financial freedom.

Fortunately, I discovered direct selling. After studying the industry and understanding its remarkable growth worldwide, I realized that it was a business capable of **transforming ordinary individuals into extraordinary achievers.**

What attracted me most to **MI Lifestyle** was the opportunity to positively impact the lives of others while building my own future. With that belief, I began my journey and soon became a full-time professional in the business.

BUILDING STRONG RELATIONSHIPS

Building strong relationships starts with genuine care. I make a conscious effort to understand people's goals, challenges, and motivations.

With my team

I build trust through open communication, guidance, and consistent support.

With customers,

I focus on listening to their needs and recommending products based on knowledge and experience

When people feel understood and supported, trust develops naturally, and that trust becomes the foundation of long-term relationships.

MY ADVICE

On challenging days, I remind myself of my long-term vision and the reason I started this journey. I view setbacks as learning opportunities and stay connected with my mentors and team for inspiration

My advice is simple:

LEARN

Start with a learning mindset

BE PATIENT

Give time to the process and trust the journey

STAY CONSISTENT

Small, consistent actions lead to big results.

BE DISCIPLINED

Discipline creates focus and builds long-term success.

BE COACHABLE

Stay open to guidance and keep improving.

SUCCESS WILL FOLLOW NATURALLY.
