YAMUNA SHEEJAN NAIR

BLUE DIAMOND

“A SETBACK IS A SETUP FOR A COMEBACK”

I was associated with this industry for many years in the role of a leader's wife. In 2018, I lost my husband, Diamond Executive Mr. Sheejan C. Nair.

Following his passing, I began my own journey in the business from the rank of Diamond Executive through the nomination feature. My husband's commitment to the business and his deep sense of responsibility towards the team have always been a source of inspiration for me.

“During the most difficult period of our lives, the support extended by MI Lifestyle management gave us strength and reassurance.

That experience made me strongly believe that this company should be a part of everyone's life.

At the same time, I felt a responsibility to carry forward my husband's legacy.

STRING RELATIONSHIPS, STRONGER JOURNEY

Even before I became directly involved in the business, we shared a warm and cordial relationship with our team leaders and their families.

Those relationships have played an important role in helping me transition into this new profession.

I believe that being approachable, committed, and responsible are key factors in building strong and lasting relationships.

LEARNING. GROWING. MOVING FORWARD

Whenever I face challenges, I remind myself of a belief that has guided me throughout my journey:

I try to analyse where things went wrong, learn from the experience, and find a better way forward.

MY ADVICE TO ANYONE ENTERING

This business is to develop a routine and follow it with discipline, just as you would in a job or traditional business.

Do not let small problems become a reason to quit.

Always remember why you started, stay committed, and **never give up.**
