The journey of a tea boy in a small town Kothagiri, Tamilnadu, to the Diamond Executive of Mi Lifestyle Marketing Global Pvt. Ltd, India's No 1 Direct selling Company, the Chairman of Paadasala English Medium Public School and the President of Ecochamber International – The Most trusted Organization in Direct selling Industry in India.

INTERVIEW

He is widely known as 'The Role-Model Super Leader'. He was given this Title by the Chairman of Mi Lifestyle Marketing at the auspicious occasion of its Second International Convention held at Hotel Hilton – Dubai.

He stayed with his uncle and helped him in his teashop washing plates, cleaning tables and supplying tea to the nearest shops. He completed his studies from the revenue he earned there. After successfully completing his graduation (B Com) as the college topper, he joined as a clerical staff in 'Mehla Machines' a Banyan Company in Tirupur, Tamil Nadu. Mr. Madhu from Palakkad visited him at Tirupur and introduced him the Direct Selling industry. By the insight given by the friend, he started studying about the scope of the industry and finally took a decision to do it as a part time career. It took no longer time to make Direct selling as a Full time career because he realized that he is in the strongest platform and in the right vehicle which will definitely bring him to the destination of his Dreams. He is with the same management for the past 18 years and the same group of people (TEAM LEADERS) are still working with him. In the beginning it was not so easy to convince the people and build a strong network. Had to face great troubles, overcome great challenges and struggled a lot to build a sustainable network of Powerful leaders. Now Ecochamber's Turnover is more than 400 Lakhs INR per week. It was not even affected by the present situation (Lockdown) the world faces. More than 10 thousand families and lakhs of individuals in his Team earn continuous income from MI Lifestyle Marketing Global Pvt. Ltd. and hundreds of leaders maintain a luxurious lifestyle. As a recognition of his valuable contribution to the industry, The World Tamil University of America has awarded him Honorary Doctorate. He is one of few individuals who gave highest GST to the Government. The secret of success behind him is the five qualities he hold on: He is Ambitious, He is Hard Working, and He follows the System. He has got the Values, and above all is his attitude.
