Hi, I had tried my hand in several businesses like poultry and sand before I set up a business in the MI lifestyle. I had a debt of 12 lakhs when I started this business. There were many difficulties in the beginning and I had to work hard to deal with them.

I have made 15 foreign trips throughout my journey with Mi Lifestyle. Today, my dream is a diamond rank. And my vision is 100 NTC by 2025 from my team. The success of 1.5 million people from my team in 10 years shall be a rewarding experience.

Mi Lifestyle with Harvest Success Academy can make an ordinary person extraordinary.
