Product Mini Guide

Ayurveda is derived from two words - 'Ayus' & 'Vid' meaning life knowledge respectively. No wonder Ayurveda has been called the SCIENCE OF LIFE, it is the oldest complete medical system in the world

The primary aims of Ayurveda is to give recipes for treatment of illness, but more importantly provides solutions to **PREVENT ILL-HEALTH & MAINTAIN POSITIVE HEALTH**

The science of Ayurveda is based on theory of the FIVE ELEMENTS or Panchamahabhoota These 5 Elements are **1. Prithvi(Earth) 2. Jal(Water) 3. Agni(Fire) 4. Vayu(Air) 5. Akash(Space)** All Matter in the universal is made up of these five Elements

All the product of Elements Wellness is certified by the Dept. of AYUSH, Ministry of Health & family Welfare, Govt. of India in Collaboration with the Quality Council of India
