INTERVIEW

The life story of a boy from Phaltan to mumbai's entrepreneur D H KADAM "The richest people in the world look for and build networks, everyone else looks for work"-Robert Kiyosaki.I wish I knew about this much earlier in life so that I wouldn't have wasted so many years looking and running behind job rather than networking.Hello,I am Dattatray Haribhau Kadam, DIAMOND in Mi Lifestyle

Marketing Global PVT.LTD. I came to Mumbai at the age of 22 to build my career with big dreams in my eyes full of hope. Working with different corporates as a manager after 10 years I wasn't able to give my family the life they deserved. And I felt like I was just living a life, but not doing anything great out of it. Since Mumbai is the city of dreams, where dreams do come true that's when I felt why not become an entrepreneur myself. And luckily Mi Lifestyle came into my life, "THE LAW OF ATTRACTION" as they say. And there was no looking back from there. I lived in a 250sq.ft house then & now in 2700 sq. ft 4BHK worth RS 6 Crores at Hiranandani Park who is the best builder in Mumbai.

I am a proud owner of 3 cars including a JAGUAR & BMW and many shops, plots and properties in Mumbai and my native place. Moreover my family has visited more than 15 foreign countries which wouldn't have been possible if I was still at a job. I can't stress on how lucky I feel that Mi Lifestyle came into my life & changed my entire standard of living. Thanks to our God Network Udyog Samrat Mr. Pravin.J.Chandan sir for changing my life along with lakhs of others. I am grateful to the entire management of Mi Lifestyle and the team of extraordinary scientists for the research in creating world class products like ELEMENTS AND ON & ON. And my mentors Mr. T Dhayal sir, Mr. Rajesh Yadav sir for motivating me to build a Team like CREATORS GROUP who are more than a family to me & because of whom I am where I am today. Thanks to all the ITC and CTC leaders including all Rank Achievers.A big thanks to my parents, my wife Minakshi, my children Shruti and Shreyanshu for always supporting me. I whole heartedly dedicate all my success to Mi Lifestyle and every distributor of creators group. With the futuristic vision of Mi Lifestyle management and Harvest success academy I am sure we can change many more lives and help people achieve their dreams and live a luxurious & satisfied life.

Testimonials

SREEJITH SREEDHARAN

I was suffering from Body pain for last two weeks , but after using No Vedana gel & Champi Champion thaila I experienced significant improvement. The medication was easy to use and had no side effects I'm grateful for the relief it brought to my life.

I have been a loyal user of Elements Champi Champion taila for the past ten years, and it has truly transformed my self-care routine. When I suffered a burn from boiling water, this was the only product I trusted - and it worked wonders, helping fade the scars completely. It also eliminated persistent dandruff from my scalp and noticeably improved my skin's natural radiance. Whether you are looking for relief from skin issues or simply want to nourish your hair and skin, this oil delivers noticeable results. Highly recommended for anyone seeking a natural, effective, and time-tested wellness solution.

NOUSHAD

My name is Noushad, I use all the products in the Elements, On & on category at home. The first product I started using was a product called *Elements below 37*. I used it for three days when I had a fever and saw great results. *When I got results from these products, I started giving them to my two younger children during fevers, and now, for the past six years, There is no need to go to hospitals*. I have come to understand that using these products also increases immunity, which is why I don't get frequent illnesses like fever. Now, if you get a fever, use Below 37 immediately and you will get quick results.
