AMIT ROY

My
Incredible
Journey
from
'Distributor
to
DIAMOND'

I come from a middle class family and I faced a lot of struggles and problems in my life. I have always been a dreamer. No matter what struggle I went through I never stopped dreaming. It is a great pleasure, honor and privilege to become a part of the "Mi Lifestyle Family". In my career in direct selling, I have visited many International Cities and Countries. And I enjoy a very financially stable life style.

Thanks for giving me this great opportunity to prove myself in building a very successful career.

Thanks to "Mi Lifestyle" and "Harvest Success Academy".

“

My name is Sreenivasan. In 15/4/2025 I had a stroke, my left leg and left hand was paralysed, I had to stay in ICU for a day and had to spend 5 days at hospital. At this time doctor said me to use coconut oil to massage my hand and leg and said to bath in hot water but I used champi champion thaila instead of using coconut oil. Just like that I replaced my tea with 9e5. Now I can walk without any help of others. And I was discharged from hospital on 19/4/25. Champi champion thaila gave me an excellent result.

I was suffering from backpain for last two weeks , but after using No Vedana gel I experienced significant improvement. The medication was easy to use and had no side effects I'm grateful for the relief it brought to my life."
