I currently live in Baroda with my two Lovely daughters, Navneetha & Nanditha, Born and brought up in a simple middle-class family in Kerala, my husband was a young boy with big aspirations. He faced many financial hardships, but never compromised with his learning process. In 1990 he joined India's most glorious organization, the Indian Air Force. With regular income he was able to pursue higher education side by side. His life took a U-turn the day he was introduced to the concept of Direct Selling. Initially he did this business for some extra income but after understanding the huge potential of this business he took it as a full time career. Today this business has completely transformed our lives. Thanks to this beautiful concept, a simple man with big dreams became a gentleman living those big dreams. Being a proud owner of BMW Sedan and two houses in Kerala and Baroda are one of few dreams he could fulfill through this wonderful platform. But more importantly, he was able to transform the lives of thousands of people by giving them income opportunities and helping them realize their dreams as well. And today I am taking this dream forward. Direct Selling Industry is an upcoming industry of the 21st century. It's all about choosing the right concept and the right company, Thanks to Mi Lifestyle, we are a part of the Best Direct Selling Company in India. Today, we enjoy our time, money and financial freedom to the maximum.
