Bring your friends to dance class!

Monday, September 25th – Thursday, September 28th

Dancers are welcome to bring a friend or two to each class that they take; please note there is a limit of two friends per student to ensure enough space.

Your friends should come to class ready to dance, not just watch.

All friends must dress appropriately for class (no jeans, no baggy clothing), if they don't own dance shoes, they may wear sneakers.

This event is FREE!

We are very excited to meet your friends and have them dance with us!
