Dear Students and Families:

The 2024-2025 dance season will begin on Monday, September 16, 2024.

Once again, thanks to all who attended our annual June recital, "Showstoppers 2024." The outstanding performances made it a great success!

We have had a very busy summer! Many students attended our four-week summer program. We welcomed some new students this summer, and we are looking forward to seeing them again in the Fall. This program gave them the opportunity to continue their dance education as well as preview what they will be learning during the upcoming dance season. Some of our summer class students also participated in our 3rd annual Summer Performance! This was a wonderful showcase of choreography they learned during summer classes. A huge thank you to all who participated and to all who came to see the show!

This summer I was given the opportunity to return to the Glastonbury Music and Arts camp from June to July to teach a variety of dance classes. I worked with several children from other dance studios in the area.
