Dear Students and Families:

The 2026-2027 dance season will begin on Monday, September 14, 2026.

Once again, thanks to all who attended our annual June recital, "Show Stoppers 2026." The outstanding performances made it a great success!

We have had a very busy summer! Many students attended our four-week summer program. We welcomed many new students this summer, and we are looking forward to seeing them again in the Fall. This program gave them the opportunity to continue their dance education as well as preview what they will be learning during the upcoming dance season. This summer, we were fortunate to welcome several guest instructors to our studio. We are incredibly grateful for the time, energy, and expertise they shared with our dancers. Some of our summer class students also participated in our 5th annual Summer Performance! This was a wonderful showcase of choreography they learned during summer classes. A huge thank you to all who participated and to all who came to see the show! This summer I spent much needed time off with family and friends. I am looking forward to bringing in a wonderful group of teachers for our Summer Intensive on August 4th for our High Intermediate/Advanced students!

A new registration form is required each year for ALL students.

Registration for new students: New students can email us through the website www.manchesterdance.com with any questions regarding level placement or dance styles. You may also call or email us for a meeting at the studio. The registration fee for new students is \$50 (per student). Venmo, Zelle, or checks made payable to "MSDA".
