## ORDER YOUR NEW DANCE COSTUME BAG NOW

In order to keep the costume distribution organized we are offering a chance for you to own your own costume bag, which will then be kept at the studio for convenience. The costume bags will be collected at the end of each show, this way they can be filled again by the teachers for the next performance. This will include headpieces and any extra accessories. We will no longer be supplying a costume bag for our performances; therefore we are strongly recommending you purchase one to reuse through the years.

The garment bags are heavy duty with double handles for easier transportation. There is an extra-large pocket on the back for headpieces and accessories, along with a separate bag that can store the student's tights or shoes. The total cost will include having the student's name embroidered on the larger bag.

**\$25.00 per bag (Cash Payments Only)**

First and Last Name (as you want it to appear on the bag)
