Studio Objective

Our primary goal is to create a positive environment in which students feel secure and develop into quality dancers that are both physically and mentally healthy. The rules set forth are for the safety and well-being of all our dancers, as well as to provide each student with a quality learning environment.

General Rules

- Participants are expected to attend class weekly and on time
- *Dress Code* – appropriate dance shoes are to be worn at all times, along with comfortable dancewear recommended. Hair should be secured away from the dancer's face.

Injuries/Illness

Dance is a physically challenging activity. While all due care is taken to provide proper warm-ups and instruction, parents of students, legal guardians of minor students, and adult students by signing form and registering at the Manchester School of Dance Arts, waive the right to any legal action for any injury or illness sustained on school property (including parking lots) from lesson activity or any other activity before, during or after a lesson.

Photo Release

The school is hereby granted permission to take photos of students to use in brochures, websites, posters, advertisements, social media forms and other promotional materials/mediums the school creates. Permission is also hereby granted for the school to copyright such photos in its name. If you do not wish for your photo to be used in any promotional material, either printed or online, please notify Miss Cherie immediately in writing.
