***At Lessons by Lexe: Dance Studio, we believe every child deserves the chance to dance – regardless of financial circumstances.***

Our Scholarship Program was created to support passionate, dedicated dancers who may need a little help affording tuition, costumes, or other dance-related expenses. Thanks to the generosity of our dance families, community, and special fundraisers like our annual Money Run, we're proud to offer a limited number of need-based scholarships each season.

Whether it's a tiny tutu or a senior soloist, we're committed to keeping the gift of dance accessible – because talent and heart should never go unnoticed.

**Applications open: June 5<sup>th</sup>, 2026**

We love you, Mama & Daddy

To our beautiful little dancer, Adaline: We are so incredibly proud of you on your very first recital!  
Watching you dance brings so much joy to our hearts! We love you so much!  
- Mom & Dad!

Ben, Watching you live your passion on stage is such a rewarding experience. Reach for the stars kiddo and we will always back you up!!  
Love, Mom & Steve!

Gracee, We are beyond proud of you, you have overcome so much! We can't wait to see all the incredible things you do, with the level of dedication to your goals and dreams, as you continue to grow and shine! We love you baby girl!

To Avery, Aurelia, and Oliver, We are so proud to cheer you on tonight and always! We loved watching your hard work and dedication this year. We love you! Love Mom & Dad

Alexes, You have been such an incredible role model to so many over the years. You are impressive and kind, and you have truly changed lives. I am so proud to be your mom and feel blessed to have shared this ten-year journey with you on every level.  
I knew at birth that you would do wonderful things, but you have elevated those expectations to the highest possible accomplishments. As you reflect on the past ten years, remember to always stay true to yourself and continue pursuing what makes you happy.  
You have come so far. When you told me at nineteen that you were ready to open a dance studio, I had no idea that it would become the remarkable place it is today. Be proud of yourself.  
Love you always, Mom
