## Hawaii: Inter-island

We chose April as the best time to Cruise Hawaii as it is still in Whale watching season, the rainy season has past and temperatures are warmer. We have chosen April 15 to 22, 2023 as our week but rooms are selling out. We have held the better BA - Balcony rooms, plus some OK—Obstructed Oceanview to lock in the pricing. Other room categories are available to move into our group.

The rooms pricing currently is :

Inside Cabins: Start at \$1,498, Oceanview: Starts at \$1,753,  
Balcony: Starts at \$2,685,

All prices are per person and Gov. Fees and Taxes are additional.
