

Cowboy and Cowgirls,

After much discussion and consideration of the status of the State of North Carolina during Covid19, The NCCI Board of Directors has made the decision to Cancel the 2020 Uprising at Swearing Creek.

Our original intent was to go on with our match, practice social distancing and all the safety guidelines set in place by our local and state government and provide a safe and enjoyable 2020 match.

After many conversations with local and state health officials, many hours of discussions within the board of directors and talking with those we represent (the shooters) the decision was made to be on the safe side of this issue and cancel our state match.

We are truly a "Cowboy Family" and want the same health, welfare and safety we extend to our loved ones and neighbors each and every day. We understand and regret any hardships this cancellation presents, but feel we need to land on the side of caution.

We are already in the planning process of the 2021 Uprising At Swearing Creek. Our goal and promise is to put on one "Heck of a 2021 Uprising".

*Be Safe and Shoot Straight,*

*The North Carolina Cowboys Inc.*
