State Form 46234 (R6/6-14)

Date (month, day, year)

Note: This form has been modified from the version currently found at 876 IAC 9-1-2 to include questions regarding disclosure of contamination related to controlled substances or methamphetamine as required by P.L. 180-2014. Rule revisions will be made to 876 IAC 9-1-2 to include these changes in the near future, however the Commission has made this information available now through this updated form.
