PROJECT NEWS

EARLS COURT

Fantastic work by the iSource Team for completing the new CIS installation at Earls Court Station.

We have successfully Installed 8 x new double sided VIDs displays, new cms , new power & comms cabling and commissioning of new CIS displays.

Well done to the Team who got the job completed within timescale.

MANAGED STATIONS WIFI PROJECT

The new, unlimited WiFi service is being rolled out across Network Rail managed stations nationwide.

We have recently successfully completed:

- Clapham Junction
- Liverpool Street
- Bristol Temple Meads
- Birmingham New Street

We are in the final stretch of Manchester, Leeds and Reading.

Congratulations to our Teams!

CONGRATULATIONS

IAN TAYLOR & MOSES UTHMAN

Star Contractor

We received fantastic feedback and noticed Ian's efforts in going above and beyond on our Wifi Projects nationwide.
Thank you Ian

Moses scaled the country and sacrificed a shift due to unforeseen delays and snow. Thank you for your great spirit and fantastic attitude.

FOOTBALL SHIRT CAMPAIGN

Thank you to everyone who donated to our JustGiving page back in November for the Football Shirt campaign. We raised a total of £120 for the Bobby Moore fund.

Unfortunately, we didn't hit our target so for now the Directors are safe!!

Thank you again, every little helps.
