

NEW WOMEN'S SLAA MEETING

Sex and Love Addicts Anonymous (S.L.A.A.) is a Twelve Step program for people who suffer from the addictive compulsion to engage in or avoid sex, love, or emotional attachment.

We often display the following characteristics:

- Having few healthy boundaries, we become sexually involved with and/or emotionally attached to people without knowing them.
- Fearing emotional and/or sexual deprivation, we compulsively pursue and involve ourselves in one relationship after another, sometimes having more than one sexual or emotional liaison at a time.
- We confuse love with neediness, physical and sexual attraction, pity and/or the need to rescue or be rescued.
- We feel empty and incomplete when we are alone. Even though we fear intimacy and commitment, we continually search for relationships and sexual contacts.
- We use sex and emotional involvement to manipulate and control others.
- We become immobilized or seriously distracted by romantic or sexual obsessions or fantasies.
