# CODE OF CONDUCT

Students are expected to be prompt and demonstrate courteous obedience to all school personnel, staff members, and campus guests.

Students are expected to remain out of any unauthorized area unless accompanied by a teacher or with special permission. Students are not allowed in a classroom without a teacher present or express permission.

Students are expected to arrive to each class on time (arriving late to the same class 3 times will result in detention) and come prepared with books, assignments, pencils, pens, and any other materials that may be necessary for the daily class work.

Students are expected to listen attentively to teachers at all times as well as other students when appropriate.

Students are expected to respect property or the personal property of others. Students are not to deface, damage, or remove any school property or the property of another person. Parents will assume full financial liability for any and all damages (including textbooks and lockers) incurred at school, or at school sponsored functions and activities, which are the result of their child's actions.

Students are expected to show respect and courtesy to fellow students at all times. Students are never permitted to violate another person's character either verbally or physically

Students are expected to assume personal responsibility for doing their part to keep the campus looking neat and clean. This means that students are expected to keep personal property out of walk areas and to place trash in the appropriate receptacles.

Students are expected to maintain appropriate self-control in their classroom conduct. Passing notes, tossing or playing with irrelevant objects or other activities which are disruptive in nature are not allowed in the classroom.

Students are expected to use the restrooms for their intended purpose only. Restrooms may not be used for loitering, eating, or as a group hang-out or any non-sanctioned activity.

Students are expected to not chew gum on campus at any time.

Students are expected to dress appropriately and follow the modesty guidelines; showing a demonstrative willingness and cooperative spirit in adhering to the CCSA dress code policy at all times. This also encompasses field trips, school-sponsored events at the Performing Arts Center, sports programs and any other special CCSA-sponsored off campus functions.

Students are expected to refrain from any public displays of affection while on campus or at any school sponsored activity or function.

Students are expected to commit to honor and integrity by never allowing theft, cheating, gossip, or other wrong behavior to occur, first in their own lives, and secondly, by those persons around them.

**CCSA Parents are required to volunteer 20 hours per school year.**

Please log your own hours and submit their volunteer logs at the end of each quarter. If parents are unable to volunteer the required hours, they will be required to make a payment of \$500.00 per year in lieu of volunteer service
