For your assistance in the re-enrollment process, you will have the option of printing this packet and filling it out by hand OR completing re-enrollment online through www.ccsa.us for the 2023-2024 school year.

To re-enroll your child, the forms must be submitted online or completed and returned to the office (with the enrollment fee) before admission for the 2023-2024 school year may be finalized. Please note that signatures from all parties with custodial rights are required on these forms.

The last day for priority enrollment is February 28.

- Priority will be given to students who are currently enrolled.
- Second priority will be given to new students who are siblings of currently enrolled students.
- Please keep in mind that **open enrollment will begin on March 1, 2022**. All priorities will be removed during open enrollment. At this point students who meet the school's admission criteria will be admitted in the order in which their completed applications are received. Classes and sections will be limited.
