

GUNYO CHOLO: THE DRESS

"A journey of identity, courage, and love — uniting the world."

Logline

When the only son (Dev) of a strict Nepali Army General is cast out for defying tradition, he must forge a new identity as Gulabi in the vibrant yet unforgiving streets of Kathmandu.

Synopsis

In a conservative Nepali village, Dev struggles to reconcile his identity with the expectations of his patriarchal family. Cast out from his father's disappointment, Dev flees to Kathmandu, where he begins a new life as Gulabi — navigating the harsh yet liberating world of entertainment and survival. **GUNYO CHOLO** explores identity, tradition, and the courage to live one's truth in a society bound by rigid expectations.

Director Statement

Through Dev's transformation into Gulabi, I wanted to reveal the courage it takes to live one's truth in a world bound by silence and shame. At its heart, it is a story of struggle, compassion, and unity — a reminder that understanding and empathy connects us all beyond culture and borders.
