

## Licensed Professional Land Surveyors

- This is simply a list of surveyors who have done work at Lake Petersburg and not an endorsement.
- There are many variables in determining a the price of a survey so you will need to discuss the details and needs of your survey with the surveyor to determine the actual price you will be charged.
- Surveys will be accepted from any surveyor who is a State of Illinois licensed professional land surveyor, you are not limited to the surveyors on this list.
