Group Participation & Parent/Carer Responsibilities In loco parentis shall remain the duty of parents/guardians/caregivers at all times during CYCALL rides. Discipline, conduct and pastoral care will be the responsibility of the above accordingly. Brooklands Park is a shared use space and it is essential that participants display appropriate behaviour with respect for the other users of the Park. CYCALL reserves the right to withdraw use of the bikes to groups or individuals who are displaying behaviour which could prove hazardous to the individual, group or members of the public.

It is the responsibility of the group leader to ensure the correct Local Authority ratio of staff. CYCALL ride leaders will be in addition to these ratios. CYCALL will provide a basic First Aid Kit, however, the prime responsibility for administering First Aid remains with the parents/guardians/caregivers. Please advise a CYCALL ride leader immediately of any incidents or accidents.

We look forward to seeing you and hope you enjoy the wind in your hair and the sun on your face during your CYCALL ride.
