June's Green Envelope

RISE is the largest nonprofit organization in Nebraska focused solely on rehabilitative programming in prisons and reentry support. At RISE, transformation starts pre-release and continues post-release. Our inside/out model bridges incarceration to the community and considers all the critical steps in that journey. They prepare and train people for each phase through intensive character development, employment readiness, job creation through entrepreneurship, family programming and case management. RISE transforms people in the community by building awareness and empathy that leads to support and opportunity. These connections heal families, create employment pathways and lower recidivism. Read more about RISE at www.seeurise.org/mission.

RISE

Morning Star will help in a joint Habitat build on Saturday, June 22. You don't have to be a whiz with a hammer or power tools, just a willingness to be part of a team helping a family realize their dream of homeownership. Contact Pam at pchelesvig@gmail.com or 402-850-0914. Remember...**Saturday, June 22!**
