Customize Your Diamond Blades

Start a brand or have your companies logo engraved onto a diamond blade today!

What we need from you to create packaging and engraving with your logo

- Your logo as a .JPEG, .SVG, or .PDF file
- 1 Business day to import the file into the engraver

Packaging

Clamshell packaging is a standard for every order. You can have blades either packaged in cardboard sleeves or in a clear plastic “clamshell”. The cardboard will have a sticker label attached. Clear plastic clamshells will have gloss paper inserts.
