MYSA Contract	Garber stated that the MYSA contract had come to its date, and that it needed to be renewed. She stated that the only necessary change on the contract was that MYSA had requested that the contract would have a date term of one year and automatically renewing rather than a three year term and automatically renewing.
Soccer Programming	An instructor at ICC reached out regarding soccer programming with the Park District. The board agreed it could be something to look into.
Electrical at the Maintenance Shed	Garber stated that the maintenance shed currently doesn't have power, and that she contacted Kennell Electric. They came out to look at it, and they think they've found the issue and are hoping to have it fixed in the near future.
QuickBooks	Treasurer Eisele stated that Quickbooks will be discontinuing the version that the Park District currently uses. She presented the new options to the commissioners, and informed them of the version she thought would work best for the Park District's needs.
Metamora Community Preschool Collaboration	Garber wanted to see the commissioner's thoughts on looking into the potential of putting up a building at Black Partridge Park.
