2026 EVENT WELCOME

Welcome to Run Tarra Bulga 2026

We are thrilled to have you experience the magic of Tarra Bulga National Park and its stunning surrounds, and we can't wait for you to connect with this breathtaking landscape. Known for its cool temperate rainforests, towering Mountain Ash trees, lush fern gullies, and ancient myrtle beeches, Tarra Bulga is a true trail runner's paradise.

Just two hours east of Melbourne, this hidden gem in the rolling hills of South Gippsland offers an unforgettable running adventure. Cross the iconic Corrigan's Suspension Bridge, high in the rainforest canopy, and take in spectacular views of the vibrant fern gully below.

Tarra Bulga National Park is on Brataualung Country and holds deep cultural significance for the Gunaikurnai Traditional Owners. We acknowledge and pay our respects to past, present, and emerging custodians of this land and thank them for sharing this special place with us.

We can't wait to see you on the trails.
