OPPORTUNITIES

WHO WE ARE

Serenity House Communities is working towards a community of hope & healing where everyone belongs.

MISSION

Our mission is to advocate for people in recovery and provide holistic options for those recovering from substance use disorder, codependency, and trauma.

VISION

We envision communities free of substance use disorder, codependency, and trauma.

VALUES

Courage • Perseverance • Authenticity
Accountability • Acceptance • Community

HOW WE HELP

Serenity House Communities hosts a variety of events and programs to support recovery and foster meaningful connections. The **Recovery Arts & Music Show** provides a safe, sober space for creativity and community during Flint's Art Walk. The **Recovery Walk & Rally** in September celebrates recovery with motivational speakers, food, and family-friendly activities. October's **Trunk or Treat** offers a fun and safe Halloween experience for families, while the **Annual Christmas Dinner** spreads joy and hope to families in need during the holidays.

In addition to events, Serenity House offers **Peer Recovery Coaching**, monthly **Sober Socials** and several weekly recovery groups designed to provide essential tools for strengthening recovery. Groups include the **Acudetox**, which promotes holistic healing through auricular

acupuncture, and **Recovery Reiki & Emotional Freedom Technique**, which supports emotional and physical well-being. Science backed **SMART Recovery, Youth & Family Recovery Groups** and more. Through these efforts, Serenity House

remains committed to creating opportunities for healing, growth, and connection.
