Reminders

- We can only take drop offs during the listed drop off period. If you come before or after we will not be able to accommodate you.
- If you have not prepared for the drop off using this checklist we will not be able to take your items
- You will be asked to leave the desk but not the store while we are pre-sorting your items. Please be prepared to wait. Depending on the number of drop offs you could be waiting up to 20 minutes for us to process your items. You may not drop and come back. You **MUST** stay in the store.
