THE ROAMING NOMI CONTRACT

ALCOHOL POLICIES

Legal Age & Identification

It is illegal for anyone under the age of 21 to consume alcohol at any event. We suggest that all guests have a photo ID present; the state of Michigan law requires all patrons to show proof of age at time of service. We have the right to refuse to serve anyone at the event who appears excessively drunk or uses threatening or abusive behavior towards staff or guests. We will also refuse to serve anyone who attempts to provide alcohol for someone under the age of 21. The bar staff reserves the right to close the bar at any time if they feel the behavior of guests are threatening or unruly and may cause harm to others or property. The decision on such matters will be made by The Roaming NoMi staff.

Alcohol Not Included

Our packages do not include alcohol. You will need to purchase anything that will be served at your event, we will take it and handle the rest. We can help provide you with tips on how much to provide and how to make it a smooth process. We also can pick up your order upon request.

Serving of Alcohol

Only the bartenders of The Roaming NoMi or servers from another catering/bartending service may serve alcohol at the event. Clients and their guests are not allowed to bring and/or serve outside alcohol. Outside alcohol will be taken and kept behind the bar. Outside alcohol will not be served UNLESS (1) you, the hosts, authorize the serving of said alcohol and (2) if payment for an upgraded package is agreed upon. Whole bottles of wine and pitchers of beer will not be served to guests.

Inside the Mobile Bar

Only Roaming NoMi staff are allowed in the mobile bar. If you'd like photos taken inside the mobile bar, arrangements may be made before or after the event. If guests are entering the mobile bar, taking alcohol from the bar, or causing any damage to the mobile bar, The Roaming NoMi reserves the right to leave the event immediately and no refund will be given.
