School Vision and Values

At Maxwellton Primary School & Nursery Class we are a Rights Respecting School committed to fostering a positive, nurturing ethos where everyone feels valued, respected and included. We have consistent and high expectations which contribute to a safe and stimulating environment where all children can learn and succeed. We aim to equip children with the skills, qualities and attitudes to contribute effectively to the life of our community.

We have carefully reviewed our vision, values, and aims in consultation with every member of our school community. After thoughtful consideration, we have collectively chosen Teamwork, Respect, Achievement, Care and Kindness as our core values. Our vision is clear: Working together, we are all on the right T.R.A.C.K!"

- Teamwork: "Teamwork means we all work together like a big family. We help each other and celebrate success as a team."
- Respect: "Respect means treating everyone kindly and listening to each other. We respect our school, our teachers and ourselves."
- Achievement: "Achievement is when we work hard and do our best. It means reaching our goals and feeling proud of what we've learned."
- Care: "Care is about being kind and looking out for each other. We care for our friends, our school and our environment."
- Kindness: "Kindness is showing love and generosity to everyone. We should think of others and do our best for them. It's about being friendly, helpful and making others feel happy."

Numeracy

Continue with partitioning of Numbers up to 20. We will become excellent at reading, writing and recognising numbers to 100.

Mathematics

Explore 2d shapes and 3d objects and identify, name and describe their features. Create a tiling pattern with 2d shapes.

Life and Ethos of the school events

We shall be participating in the Christmas Nativity, the Scottish Assembly, more information to follow.

School Assemblies

We shall share our learning with you, highlighting the skills we have been developing in the class. This will happen in the new year. More information to follow

Please encourage your child to participate in all new learning both at home and at school and highlight that we celebrate making mistakes - it is an important part of learning and helps us get better!

Home Learning

Every month, we will send home a grid of suggested activities through Parents' Portal that you can cover to reinforce learning at home. Hard copies can be obtained through the office. We understand that home life and afterschool clubs can keep children very busy and appreciate the value of these experiences. If you are able to, we would ask that you prioritise reading, phonics (in the infant stages), literacy and numeracy home learning and complete as little or as much as your family life allows.

Home learning is not compulsory and there will be no consequence if this is not completed (but please read, read, read!! 😊).

Literacy

I shall send an email out at the beginning of each week to let you know what phoneme we are learning about and the four common words of that week.

A reading book shall be sent home every week, and can I urge that the children bring this to school everyday in the homework folders provided. No reading books shall be issued at the weekend.

Numeracy

The weekly email shall also inform you what our numeracy focus is for that week.
