

International Harvester Collectors Club
Chapter #44
MISSISSIPPI
 August 2022

Red Power Round Up 2022 was hosted by International Harvester Collectors, Ohio Chapter 6, June 23-25 in Springfield, Ohio. Several Chapter 44 members attended, and we would like to commend Chapter 6 on the excellent job they did! While enjoying three days of all things International Harvester, we visited with other chapter members and visitors, enjoyed great weather, and saw creative and fun IH merchandise. There were parts, entertainment, speakers, and 1,150 exhibitors. This included 700 Tractors, 100 Implements, 115

Trucks, 150 Garden Tractors, 55 Engines, Scouts, Cub Cadets, Toys, 30 Memorabilia Exhibitors and more we did not mention. We highly recommend you attend a Red Power Round Up if you ever have a chance. The 34th National Red Power Round Up will be June 15-17, 2023, Fonner Park, 700 E. Stolley Park Rd., Grand Island, NE 68802.

The featured tractor at RPRU was the 75th Anniversary of the Farmall Cub.

What a vast company IH was! Farm equipment, construction equipment, household appliances, large trucks, light vehicles: their products were durable!

International Harvester KB Truck. They were best known for their durability and low price

From the President

It has been a very trying 4 years since the first 50 charter members of MSIHC Chapter 44 signed their applications on Aug. 4, 2018, at our organizational meeting. After our first year, at our State show in Jackson, MS, we had 217 members. Interesting fact: this was the 50th anniversary of Hurricane Camille.

Without the dedication from these Members, we would not be where we are now: a strong and growing Chapter representing IH collectors from several states and Canada. On that note, I would like to thank the following members for their hard work and perseverance:

Secretary: Renee Britt MSIHCC #503

Treasurer: Cody Britt MSIHCC #504

Membership Coordinator/Treasurer: Jeff Smith MSIHCC #509

Thanks for your help in the past!

As you all know, on March 11, 2020, the World Health Organization declared COVID-19 a pandemic, stopping all activities, fellowships & gatherings. As we begin to recover from this unprecedented event, we encourage everyone to visit engine and tractor shows, as well as festivals! We are always accepting new members, so please encourage others to join MSIHCC 44 as members!

Thanks for all your membership support and we hope to see you at our next MSIHC Chapter show & meeting.

Guy Nix III

We know you have been waiting on this newsletter, and here it is finally! At this time, we would like to send out a thank-you to the following people:

Emmett Webb, the former National Membership Secretary, for all his past help & guidance

Tonya Shank, Web Master, for her continued assistance in getting all things done with our website

Andy Gibson, for being such a great help and wonderful Board Member

We would also like to mention how much we appreciated the attendance to our State Show this April in Houston, MS. It was an honor to have them, and we greatly enjoyed their presence:

National Board Members

President **Bob Buxton**

Vice-President **Sherman Roberts**

Legal Counsel **Richard Forster**

Many thanks to the good folks in Chapters 23 & 31 for their help, we could not have done it without you!
