MISSISSIPPI INTERNATIONAL HARVESTER COLLECTORS CHAPTER #44

WEBSITE: ms44ihc.com

Greetings to all the Mississippi IHC Chapter 44 club members! Since 2019 started, we have had many shows from Lucedale to Houston, MS to the Jackson area and several more from toy shows and even great tractor pulls, etc. We have signed up several new members from these events. Remember we have a total of 26 shows as of today with probably more to come! WOW – NOT BAD for a brand new club in the deep SOUTH. Thanks to everyone who joined us on Saturday, July 20th in Mize, MS for the Watermelon Festival.

NOW PLEASE READ this and make your plans to be at the Mississippi Ag Museum, 1150 Lakeland Drive, Jackson, MS 39216 on August 16 (Friday – SET UP ONLY) and our FIRST EVER Mississippi IHC Chapter 44 State Show on Saturday, AUGUST 17th. Members of MS44 and families will have a special hand stamp provided to make this 40 acre site their second home for this special event. Many long hours have been planned for our enjoyment including special rates for rooms and RV camping, and several great restaurants within less than 3 miles of this show site. Special extra security will be provided for Friday night thru Saturday morning until show time starts.

Please call and talk to your friends and family members and anybody else about this very special event in August. Also for the NON OLD SCHOOL membership, please use your social media – Facebook, etc. We would like to encourage our membership to sign up possible NEW members before this state show. Our website is www.ms44ihc.com. If everybody signed up ONE or even TWO new members, our membership totals would be out of sight, WOW!!!

There will be a Special 11am meeting at MS Ag Museum, Heritage Center Auditorium, on Saturday, August 17, 2019.

A special thanks for all the long hard hours of work goes out to Mrs. Renee Britt, Secretary; Cody Britt, Treasurer; and Jeff Smith, Membership Coordinator. Without the above three special people my job as President would be never ending since I'm strictly "OLD SCHOOL". Thanks also to the other fine members that has helped US in various ways throughout this first year of MS44IHC. We are blessed!

As always, if I can be of any assistance, please call or text my cell #601-754-5100. Thank you for joining this special club and hope to see you very soon!

Sincerely,

Guy H. Nix, III, President - Chapter 44
