### *Event Overview*

We hope that we can count on your participation at this years 30 for 30 event! I'm so excited about this year's guest list and cannot wait to share it with you. Just think...to be surrounded by successful business owners like yourself, learning about each other's business goals, while supporting your local community and adding value to each other. We want to add your name to the list for this exciting event.

**Our current annual goal is \$210k for the 2021-2022 school year.** Your donations will help give children looking for optimal learning experiences: better education opportunities, a place to achieve their goals, and support their national and international travel.

**To meet our goal we need your support and the support of companies like yours.**

By giving to Creative Global Schools, you'll help us accomplish our goal to assist more students in receiving a better educational experience for the 2021-2022 school year.

**In appreciation for your anticipated donation, your business will be featured on our website for the entire school year and highlighted in our CGS newsletter and emails. Our CGS newsletter will be distributed to our parents, teachers, and all participating corporate sponsors.**

Thank you in advance for your donation, time, and service to students who will become positive change agents.

Sincerely,
