### OVERVIEW AND SCOPE

The Village of Ferrelview (VOF) requests responsive proposals from experienced contractors to remove three trees on the west side of the City Park so that the existing walking trail can be replaced. The Bidder selected is to furnish all labor, supervision, and other goods and services necessary for the full removal and disposal of three trees of various types and sizes.

**PROPOSAL:** Although the VOF prefers substance over form, to be considered responsive, Bidders are asked to review the following criteria/information requests and respond, in order, to the best of their ability.

a. **Pricing:** Bidders must provide comprehensive pricing for their services, including the machinery/equipment and all labor fees. Selected Bidders are required to following the Missouri Prevailing Wage Laws in compliance with the conditions set forth in the Platte County Parks & Recreation Outreach Grant Program Guidelines for 2023.

b. **Insurance:** Bidders must provide evidence of Commercial Liability and Workman's Compensation Insurance and will be required to list the VOF as the certificate holder if selected.
