BTPS - SMB Care Service Plans

Business Technology and Payment Solutions provides a complete solution for supporting and managing the overall health of each computer in your company. Our support plans ensure that your computers are functioning properly, protected, and secure against technology threats and disasters. Computers are in your office to help you run more efficiently and with us that is possible around the clock. We offer PC Management in three plans that range from remote only support to full support, including on-site and after-hours support.
