No experience or equipment necessary!

We provide everything you need. We'll have one to three courts set aside for instruction and games, so come on down and give it a roll!

Our Mission

The **East Portal Bocce Club** is dedicated to bringing the sport and culture of bocce to the community. We aim to promote the game, provide competitive & social bocce leagues for our members, and create awareness of Italian heritage and culture.

We look forward to seeing you there!
