

WE NEED YOUR SUPPORT!

EAST PORTAL BOCCE COURTS

A Sacramento treasure in the heart of Little Italy needs your help. Established in 1930, the East Portal Bocce Courts have been a community hub for nearly a century and now serves children, veterans, families, the disabled, and bocce enthusiasts across Sacramento. The devastating New Year's Eve storm of 2023 brought down trees, demolishing our roof and damaging our courts. We urgently need to rebuild our roof and our court facilities. Please donate today to rebuild this culturally significant venue and ensure its legacy endures for generations to come!
