## SAY I DO TO YOUR PERFECT DAY

Vibrant blooms cascade from the arbor at the yacht's bow overlooking the sea. As you exchange your vows in the presence of dear family and friends, the setting sun illuminates the scene with a golden hue, dropping beneath the horizon with a brilliant congratulatory display upon your first kiss as newlyweds.

Whatever space and time you choose for your ceremony, the elegant yacht and breathtaking views promise to make the day unforgettable.

# TIME TO CELEBRATE

Sharing food and drink is at the heart of any celebration, reflecting the joy of a day that has likewise nourished the body and soul. Having earned accolades including Michelin stars, the chefs of The Ritz-Carlton Yacht Collection create feasts worthy of such a special occasion, from a gorgeous display of charcuterie and sushi to an exquisite seven-course tasting menu. On your wedding night and throughout your voyage, the culinary experience can be completely customized, reflecting your personal vision, taste and style in themed menus, signature cocktails and fine vintages.

## INTO THE NIGHT

On board your private yacht, the celebration continues as long as you wish.

A galaxy of stars illuminates the night sky over the open sea, adding nature's chandelier to the shimmering décor adorning the yacht's Observation Lounge.

As toasts are raised and laughter mixes with tears, relive the moment you met, the falling in love, and the promise of forever made today. Then dance the night away to a live DJ or world-class band, or relax in the company of family and friends while serenaded by a string ensemble. Whatever your vision, the big day will conclude just as it began — by exceeding your greatest expectations.

---

## THE DAYS TO COME

Your lives together begin today. Take a breath and cherish the moment. There is no need to pack up, say goodbyes and rush off when the world is at your doorstep. After a poolside brunch — perhaps with handcrafted libations designed to detoxify and revitalize — head ashore to relax on a powdery white beach or explore a charming seaside town. Or stay on board and enjoy watersports directly from the yacht's Marina. Begin your lives together by yachting through the Mediterranean or Caribbean to continue the celebration with family and friends.

---

# GATHER SHORESIDE

Whether you wish to relax and unwind after the festivities or set off on a new adventure together, experiences ashore are as diverse as the destinations where our yachts sail. Gather with loved ones at a private beachfront retreat in the Grenadines to lounge on soft white sands, swim with sea turtles and kayak along tropical reefs. Head into the mountains of Dominica for a rainforest hike to an emerald waterfall and a rejuvenating soak in the island's hot springs. Drive a Ferrari through the hilltop villages overlooking the French Riviera and meet family for lunch at a Michelin-starred restaurant with breathtaking views of the coastline. Or explore Tuscany from the iconic cathedrals and museums of Florence to the medieval villages and renowned wineries dotting the countryside.

# EXPLORE ON BOARD

The yacht is a destination unto itself, and days on board are just as enriching as time spent ashore. The aft Marina has direct access to the sea for kayaking or paddleboarding, and a sun lounger awaits by the infinity pool when you're ready to relax. The Ritz-Carlton Spa offers rejuvenating massages, facials and more, and the murmur of gentle waves provides a soothing soundtrack to treatments in private open-air spaces. Head to the sauna and steam room for further relaxation or to the Fitness Studio to get your heart pumping. Back on deck, cooking demonstrations, wine tastings and other epicurean experiences complement the delicious cuisine served in the yacht's chic restaurants, alfresco grills and breezy lounges.

## AFTER SUNSET

As the sun dips beneath the horizon, the carefree atmosphere on board eases into the rhythm of the evening. Always tailored to your preferences, the night's entertainment may feature a classical pianist, flamenco guitarist, jazz band or any number of talented musicians. Let us host themed parties complete with custom décor, music and cocktails, and invite your guests to dress for the occasion. Don your most colorful attire for salsa dancing and mojitos on the pool deck during Havana Nights, or wear only white and sip champagne at an evening En Blanc in the Observation Lounge. For a more low-key affair, retreat with friends to an intimate, speakeasy-style bar for a fine cognac and perhaps a hand-rolled cigar.

---

## A HAVEN FOR TWO

When each day draws to a close, your spacious suite welcomes you to an oasis of serenity. Designed to combine the modern elegance of The Ritz-Carlton with the casual luxury of a magnificent superyacht, every suite features lavish amenities and a Personal Concierge standing by to ensure your every need is met. Relax and enjoy time for just the two of you, reliving the day's most special moments. When you awaken refreshed the next morning and step onto your private terrace, the sweeping views and fresh sea breezes remind you of the lasting memories you're creating and the unforgettable days still to come.
