INVERNESS
WELCOME HOME.

Meet Our Neighbor: Denny & Jen Trevett

Hi Everyone,
Denny and I are excited to be part of this community! After raising our two children in Winchester, MA, we relocated to Burlington in March, 2020 to help out with our grandson, Anthony, who was born that spring. We moved to Golf Course Road last spring and are enjoying all Vermont has to offer (and these views!). Although meeting people during a pandemic has proved difficult, I have enjoyed taking art classes at the BCA, joined a photo club and writing group, and getting back into Pilates. I'm always up for a walk, coffee date, or creative art time if anyone is interested! Denny works for Cisco Systems and enjoys spending his

free time skiing and mountain biking. What a treat to finally live close to a mountain for that avid skier! We spend our summers near Bar Harbor, Maine, where I grew up and where we went to high school together. We are fortunate to have family there (including my grandmother, who turned 101 this fall) as well as mutual high school friends. In addition to our youngest child, Kay, who lives in Burlington and just graduated from UVM last spring, our oldest daughter, Morgan, lives in Washington, DC. We are looking forward to traveling now that the world is opening up again!

Best,
The Trevetts

REPAIR HERO!

Thanks to **Phil Moll** for his quick action in repairing the bank of mailboxes which were damaged yet again by a plow. Your efforts are deeply appreciated, especially given they were not even your mailboxes!

LANDSCAPING/ PRUNING

We ask that all tree pruning and/or removal requests be sent to PMA by **May 15th** so we may secure tree services.

SAFETY CONCERNS

There have been many break-ins in the area recently.

As a safety precaution,

please remember to lock car doors if not garaged and lock doors to your home. It is also advised to keep your garage door closed as there have been many reports in neighboring areas of theft.
