The Board of Directors and the entire Inverness community worked together to make this happen so seamlessly. Special

INVERNESS

WELCOME HOME.

Meet Our Neighbor: George and Robin Muskal – 516 Golf Course Road

Hello everyone,

George and I moved here in late June from Morristown, NJ, where we had lived for the past 14 years. We are originally from Cleveland, OH, where two of our three sons still reside. Our youngest son lives in LA. George retired in January from a 39-year career at BASF Corp where he was the Manager of Retirement Plans and Compliance. Robin continues to work virtually as a psychotherapist, specializing in Postpartum and Perinatal wellness. We enjoy our bulldogs, Charlie and Bella Rose. We spend much of our time on the Northern end of lake George enjoying boating, fishing and kayaking. We are very excited to explore beautiful VT and all it has to offer. So far, we are quite pleased with creemees! We have already met so many wonderful neighbors and dogs. We look forward to meeting more of you.

Best, The Muskals

PAINTING BRIGADE

Kudos to Linda Carrigan, Susan Wagenhofer and Maura Cullen for our newly painted mailboxes. Thanks to Cathy Vitali for suggesting that the color of the boxes match the trim of our buildings. Great job.

PAINTING PROGRESS

The final four buildings (517/519, 539/541, 540/542 and 561/563) will be painted in the upcoming month. That will conclude the painting cycle and the new eight-year cycle will be implemented.
