In the absence or disability of the President, the Vice-President may perform the duties of the President as set forth in Section 8.

Notwithstanding the foregoing, the Board of Directors may authorize any officer, Member, committee or the Managing Agent to approve or disapprove all vouchers for payment of routine expenses incident to the maintenance, repair, alteration and/or replacement of the General Common Elements so long as the resolution granting such authority specifically limits the maximum amount which may be authorized by such officer, Member, committee or Managing Manager on each occasion and so long as such resolution describes the items of expense payment of which are so authorized. Further, the Members shall be notified of the adoption of such a resolution by the Board of Directors when the same shall be adopted.

Section 10: Insurance and Repair of Casualty Damage

Section 10.1. Authority to Purchase. The Board of Directors is authorized to and shall use its best efforts to maintain insurance coverage on the Condominium Project containing the provisions covering the risks, and in the amounts, hereinafter set forth.

Section 10.2. General Requirements. Each insurance policy purchased by the HOA shall, to the extent possible and/or applicable, comply with the following provisions:

(a) The named insured under such policy shall be the HOA, the Owners and the mortgagees as their respective interests may appear. The Managing Agent shall be named as an additional insured as its interest may appear with respect to the public liability insurance and fidelity insurance hereinafter set forth.

(b) Each policy shall contain a provision whereby the insurer waives subrogation against the Developer, the HOA, the Managing Agent (if any) and the Owners and their respective agents, employees, guests, and with respect to the Owners, the Members of their household.

(c) Each policy shall contain a provision whereby the insurer waives any defense based on co-insurance or upon any invalidity arising from the acts of the insured.

(d) Each policy shall contain a provision providing that the policy may not be cancelled or substantially modified (including cancellation for nonpayment) without at least ten (10) days prior written notice to the HOA, the Owners and their mortgagees.

(e) Any “no other insurance” clause contained in any policy shall specifically exclude policies obtained by Owners.

Section 10.3. Coverage. The Board of Directors of the HOA shall, to the extent possible, obtain insurance covering the following risks and in the following amounts:

(a) Casualty Insurance. The Board of Directors of the HOA shall procure and maintain a blanket, all risk policy (“Blanket Policy”) of fire and extended coverage insurance insuring the entire Condominium Project (but excluding the personal property of the Owners) in an amount not less than 100% of the insurable value of the Condominium Project less land value and value of furnishings located on the General Common Elements based on the then current replacement cost for such Property without reduction for depreciation. The Blanket Policy shall also contain coverage for such risks (including, but not limited to, vandalism and malicious mischief) as any First Mortgagee may require or as the Board of Directors may from time to time determine to be customarily covered with respect to buildings similar in construction, location and use as the Condominium Project.

The Board of Directors shall review the coverage afforded by the Blanket Policy at least annually and shall make adjustments to such coverage as the Board of Directors deems advisable.

The Blanket Policy shall also provide that the insurer will issue (a) to each Owner, a certificate specifying the amount of coverage under the Blanket Policy allocated to such Owner’s Apartment and the percentage undivided interest in the General Common Elements appurtenant thereto and (b) to each mortgagee of an Apartment, a certificate of mortgagee endorsement in such

form as the mortgagee may reasonably require. The original of the Blanket Policy and the endorsements thereto shall be delivered to the Board of Directors of the HOA, as Insurance Trustees.

(b) Fidelity Coverage. The Board of Directors shall procure and maintain adequate fidelity coverage either in the form of an insurance policy or a fidelity bond insuring and/or protecting the HOA against dishonest acts on the part of officers, directors, trustees, volunteers, agents and/or employees who handle or are responsible for the handling of funds of the HOA including persons who serve the HOA without compensation. Such insurance or fidelity bonds shall be in such amounts as the Board of Directors may from time to time determine, but not less than one and one-half (1 1/2) times the estimated annual operating expenses and reserves of the HOA.

(c) Workmen's Compensation. The Board of Directors of the HOA shall procure and maintain the workmen's compensation insurance if and to the extent necessary to meet the requirements of law.

(d) Other Insurance. The Board of Directors of the HOA shall procure and maintain such other or additional insurance as the Board of Directors may from time to time determine.

(e) Owner's Insurance. The Owners shall be entitled to obtain insurance coverage, at their own expense, upon their own personal property and for personal living expenses. Each Owner shall, at his own expense, keep in force comprehensive personal liability insurance in such amounts as the Board of Directors of the HOA may from time to time determine provided that such insurance shall not jeopardize the effectiveness or insurability of the Condominium Project insurance above described.

Section 10.4. Premiums. The premiums for any insurance policies purchased by the HOA shall be paid by the HOA as a Common Expense.

Section 10.5. HOA as Agent. The HOA is hereby irrevocably appointed Agent for each Owner and for each mortgagee of an Apartment to adjust all claims arising under insurance policies purchased by the HOA and to execute and deliver releases upon the payment of claims.

Section 10.6. Insurance Trustees. All physical damage insurance policies purchased by the Board of Directors shall be for the benefit of the HOA, the Owners and their mortgagees as their respective interest may appear and shall provide that all proceeds of such insurance shall be paid to the Board of Directors of the HOA as Insurance Trustees. The Board of Directors of the HOA, as Insurance Trustees, shall receive such proceeds as are paid and shall hold the same in trust for the purposes hereinafter set forth and for the benefit of the Owners and their mortgagees in the following shares:

(a) General Common Elements. An undivided share of the insurance proceeds received by the Board of Directors of the HOA, as Insurance Trustees, on the account of damage to the General Common Elements shall be held for each Owner in proportion to his undivided percentage interest in the General Common Elements.

(b) Apartments. Any proceeds received by the Board of Directors of the HOA, as Insurance Trustees, on account of damage to Apartments shall be held in the following shares: (i) when the Building is to be restored, the proceeds shall be held for the Owners of the damaged Apartments in proportion to the cost of repairing the damage suffered by each Owner, which cost shall be determined by the Board of Directors of the HOA, as Insurance Trustees; (ii) when the Building in which an Apartment is located is not to be restored, an undivided share of the proceeds shall be held for each Owner, such share being the same as such Owner's percentage interest in the General Common Elements.

(c) Mortgagees. In the event a mortgagee endorsement has been issued as to an Apartment, the share of the Owner shall be held in trust for the mortgagee and the Owner as their respective interest may appear.

Section 11: Repair and Reconstruction After Fire or Other Casualty

Section 11.1. Duty to Repair. Subject to the provisions of Section 12 hereof, in the event of damage to or destruction of the Building as a result of fire or other casualty, the Board of Directors of the HOA shall arrange for the prompt repair and restoration of the Building (including any damaged Apartments, but not including any wall, ceiling or floor decoration or coverings or other furniture, furnishings, fixtures or equipment in the Apartment installed by the Owner or his predecessor unless such insurance covers a portion or all of such loss to the Apartment, in which event the HOA shall repair and replace such damage).

Section 11.2. Cost Estimates. As soon as possible following any damage or destruction, the Board of Directors shall secure not less than three (3) independent written bids of the costs of making repairs and restorations of the Condominium Project from three (3) reputable building contractors.

Section 11.3. Assessments for Uninsured Costs. If the proceeds of the insurance maintained by the HOA are not sufficient to defray the cost of restoration and repair, the Board of Directors shall assess as a Common Expense such amounts as may be sufficient to provide payment of such costs, and such assessments shall be in proportion to the percentage interest of each Owner in the General Common Elements.

Section 11.4. Plans and Specifications. Any reconstruction or repair of the Condominium Project shall be substantially in accordance with the Plans subject to the requirements of applicable law at the time of reconstruction to repair.

Section 11.5. Disbursement of Insurance Proceeds. The Board of Directors of the HOA, as Insurance Trustees, shall disburse the net proceeds of the insurance collected on the account of casualty and the sums received by the Board of Directors from the collection of assessments against Owners on account of such casualty to the contractors engaged in such repair and restoration in appropriate progress payments.

Section 11.6. Surplus. If the net proceeds of insurance collected on account of casualty exceed the cost of restoration and repair, the Board of Directors of the HOA, as Insurance Trustees, shall distribute such remaining funds jointly to the Owners and their respective mortgagees in proportion to the percentage undivided interest of each Apartment in the General Common Elements.

Section 12: When Reconstruction is Not Required

If any part of the Condominium Project shall be damaged by fire or other casualty, such part of the Condominium Project shall be repaired and restored in accordance with the provisions of Section 11 hereof; provided, however, repair and restoration shall not be required where the whole or more than two-thirds (2/3) of the Building is destroyed by fire or other casualty. The percentage of destruction shall be determined by the vote by two-thirds (2/3) of all Owners entitled to vote that such destruction encompasses two-thirds (2/3) or more of the Building.

In such case and unless otherwise unanimously agreed upon by the Owners, the insurance proceeds shall be delivered to the Owners or their mortgagees, as their interests may appear, in proportion to the percentage interest of each Owner in the Common Elements and the Board of Directors, as soon as reasonably possible, shall sell the Condominium Project in its then condition free from the effect of the Master Deed, which shall terminate on such sale, on terms satisfactory to the Board of Directors. The net proceeds from any such sale, and the net proceeds of all insurance policies, shall thereupon be distributed to the Owners or their mortgagees as their interests may appear in proportion to the percentage interest of each Owner in the Common Elements. If the Board of Directors fails to consummate a sale pursuant to this paragraph within twenty-four (24) months after the destruction or damage occurs, then the Board of Directors shall, or if they fail to do so, any Owner of First Mortgagee may, record a sworn declaration setting forth such decision and reciting that under the provisions of the Master Deed, the prohibition against judicial partition provided for in the Master Deed has terminated and that judicial partition of the Condominium Project may be obtained pursuant to the laws of the State of Tennessee. Upon final judgment of a court of competent jurisdiction decreeing such partition, the Master Deed shall

terminate and the Property shall be removed from the provisions of the Horizontal Property Act and the horizontal property regime.

Section 13: Assessments

Section 13.1. Initial Assessment – Annual Assessment. No later than December 15 of each year, the Board of Directors shall give written notice to the Owners of the annual assessment fixed against each Apartment for the next succeeding calendar year. In fixing the annual assessment for each calendar year, the Board of Directors shall adopt a budget for the operation, administration, and maintenance of the Condominium Project for that year, which budget shall include an estimate of the Common Expenses for such year and an estimate of the cash required to meet such Common Expenses. In adopting the annual budget, the Board of Directors shall include reasonable reserves for contingencies, working capital, and repairs and replacements of the Common Elements including, but not limited to, painting, roof and elevators. The annual assessment against each Apartment shall be an amount equal to the total estimated cash requirement for the Condominium Project as set forth in the budget multiplied by the percentage interest in the General Common Elements which is appurtenant to each Apartment. The failure of the Board to comply with the written notice hereinabove set forth shall not alter or invalidate any obligation of a Owner, any right of the HOA against such Owner or any lien against an Apartment provided for in this Section.

Section 13.2. Monthly Installments. The annual assessment shall be paid to the HOA in equal monthly installments on or before the first day of each month during any assessment period.

Section 13.3. Special Assessments. If for any reason the annual assessments prove inadequate to pay the Common Expenses, the Board may levy special assessments at any time. The special assessments shall be fixed against the Apartments according to their percentage interest in the General Common Elements and the period of the assessment and manner of payment shall be determined by the Board of Directors, whether in one lump sum or payable over a period of time.

Special Assessments may also include, but are not limited to, penalty fees for violation(s) of the Master Deed, these Bylaws, and any and all Rules or Regulations currently in effect. In the event of a penalty fee, written notice shall be given specifying the violation(s) and the time allowed to cure said violation(s). If the violation(s) are not cured within the time stated in the written notice, or other measures approved by the Board, then the owner of that Apartment shall be charged a penalty fee in accord with the Schedule of Fees adopted by the Board. Each violation is subject to a separate penalty fee and each day a violation continues after the expiration of the cure period constitutes a separate violation.

Any and all remedies as permitted by law shall be also accessible to the Board of Directors including the option to file a lien against an Apartment for any and all unpaid assessments and/or

penalty fees, costs, interest, and attorney's fees incurred for enforcement of and filing the lien. The Owner shall also be responsible for any and all fees and costs including all attorney's fees associated with enforcing this provision whether through litigation or other enforcement.

Section 13.4. Purpose of Assessments – Common Expenses. The annual and special assessments fixed and collected pursuant to this Section shall be used to pay the Common Expenses of the Condominium Project including, but not limited to, all expenses, costs and charges incurred by the HOA in connection with the administration, operation and management of the Condominium Project; the cost of maintenance, repair, replacement and restoration (including reasonable reserved therefor) of the General Common Elements and Limited Common Elements, or any part thereof, including appurtenant easements; the cost of all insurance obtained by the Board of Directors pursuant to these Bylaws; all charges for utilities and other services to the Condominium Project which are not separately metered to the individual Apartments including, but not limited to, electricity, sewer, water, and master TV antenna charges; and any and all other expenses, costs or charges agreed upon as Common Expenses by the HOA or declared Common Expenses by the provisions of the Horizontal Property Act, the Master Deed or these Bylaws. All funds collected by the HOA shall be treated as separate property of the HOA, and such funds may be applied by the HOA to the payment of any expense of operating and managing the Condominium Project, or the proper undertaking of all acts and duties imposed upon it by these Bylaws, the Articles of Incorporation and the Master Deed. Although all funds and common surplus, including other assets of the HOA and any increments thereto or profits derived therefrom or from the leasing or use of General Common Elements, shall be held for the benefit of the Members of the HOA, no Member of the HOA shall have the right to assign, pledge, or in any manner transfer its Membership interest therein except as an appurtenance to his Apartment.

Section 13.5. Lien. Each Owner shall be personally liable for any assessment coming due and payable against his Apartment while he is an Owner of such Apartment. In the event an Owner refuses to pay an assessment, the HOA may proceed to take full legal action to obtain remedy, either by filing a lawsuit or filing a lien against the Owner's apartment.

Each assessment provided for herein, together with interest and collection costs, including attorneys' fees, shall be a charge on and continuing lien upon the Apartment against which the assessment is made, and such lien may be enforced and foreclosed in a manner provided by law; provided, however, that no lawsuit shall be filed and no proceedings to enforce or foreclose such lien shall be commenced until the sums assessed remain unpaid for a period of thirty (30) days after the same shall become due.

Prior to the filing of any lien or lawsuit against an Owner, the HOA shall forward a notice to the Owner advising of the HOA's intention to pursue legal remedy, giving the Owner thirty (30) days in which to pay all past due debts.

Any grantee of an Apartment shall be entitled to a statement from the Board of Directors setting forth the amount of the unpaid assessments against the Apartment being conveyed to said grantee.

Section 13.6. Joint Liability. In any voluntary conveyance of an apartment, the grantee thereof shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor made prior to the time of such voluntary conveyance without prejudice to the rights of the grantee to recover from the grantor the amounts paid by the grantee therefore.

Section 13.7. No Waiver of Remedies. Institution of a lawsuit to attempt to collect the payment of any delinquent assessment shall not preclude the HOA from thereafter seeking by foreclosure action the enforcement or collection of any sums remaining owing to it nor shall proceeding by foreclosure to attempt such collection preclude the institution of a suit at law to collect any sum remaining owing to the HOA.

Section 13.8. Effect of Nonpayment of Assessments – Remedies of the HOA. Any assessments which are not paid when due shall be delinquent. If the assessments are not paid within thirty (30) days after the due date, the assessments shall bear interest from the delinquency date at the highest rate allowed by law, and the HOA may bring an action at law against the Owner to perfect its lien against the Apartment and to foreclose the same upon the Apartment against which the delinquent assessments were charged, in which event, interest, costs, and attorneys' fees shall be added to the amount of such assessment as may then be due. The HOA, with the written consent of all the remaining Owners, shall have the power to bid in at any foreclosure sale of an Apartment and to acquire, hold, lease, mortgage and convey the same. No Owner may waive or otherwise escape lien liability for the assessments provided for herein by nonuse of the Common Areas or abandonment of the Apartment.

Section 13.9. Priority of Assessment Lien. The lien for assessments provided for in this Section shall be prior and superior to all other liens except (a) ad valorem taxes and (b) all sums unpaid on deeds of trust and mortgages secured by an Apartment. The sale or transfer of any Apartment shall not affect the assessment lien against such Apartment. Provided, however, the sale of an Apartment pursuant to the foreclosure sale, execution sale or deed in lieu thereof by a superior lienholder shall extinguish the inferior assessment lien against an Apartment to the extent that such superior lienholder will not be liable for the Apartment's unpaid assessments which accrue prior to the foreclosure, deed in lieu thereof or execution sale, but no such sale or transfer shall relieve an Apartment from liability for assessments thereafter becoming due or for any future lien in connection therewith. The HOA shall share in the excess, if any, realized by the sale of any Apartment pursuant to a foreclosure or action instituted by a superior lienholder.

Section 13.10. Register of Owners and Mortgagees. The HOA shall maintain a register setting forth the names of the Owners. In the event of the transfer of any Apartment to a third party, the transferee shall notify the HOA in writing of the transferee's interest in such Apartment, together with recording information necessary to identify the instrument by which the transferee has acquired his interest. Each Owner shall also notify the HOA of the parties holding any mortgage on any Apartment, the amount of such mortgage and the recording information necessary to identify the mortgage. The holder of any mortgage upon any Apartment may notify the HOA of the existence of any mortgage, and the HOA shall register in its records all pertinent information relating thereto.

Section 14: Condemnation

Section 14.1. HOA to Receive Condemnation Awards. In the event all or any part of the Condominium Project shall be taken in condemnation or by eminent domain, the award of any such taking shall be payable to the HOA and shall be disbursed by the HOA as hereinafter provided in this Section.

Section 14.2. Condemnation of General Common Elements. If the taking is of General Common Elements and does not consist of taking any part of the Building, the Board of Directors shall arrange for restoration of the remaining General Common Elements and the HOA shall disburse the proceeds of the condemnation award in the same manner as they are required to disburse insurance proceeds where damage or destruction to the General Common Elements is to be repaired and reconstructed as provided in Section 11 hereof.

Section 14.3. Taking of Apartments. If the taking includes part of the Building, whether or not there is included in the taking any part of the General Common Elements, and such taking shall make it impossible or impractical to reconstruct within the General Common Elements any Apartment, all or part of which has been taken, then the Owner of any such Apartment shall receive that compensation awarded to him for his Apartment in any condemnation proceeding. Also, if the overall award includes a payment to the HOA for the taking of a portion of the General Common Elements and no separate General Common Elements award has been made to a particular Owner, then that Owner shall be paid his fractional interest in the General Common Elements award and shall thereupon execute such Owner's undivided interest from the Condominium Project and shall reallocate the undivided interest to all remaining Owners. By accepting a deed for an Apartment, each Owner agrees to execute the amendment to the Master Deed and any required amendment to any of the other condominium documents to confirm the effect of this paragraph. Furthermore, in consideration of any condemnation award paid, the Owner of any Apartment so taken agrees to execute a quitclaim deed conveying his remaining interest in any Condominium Project for which he has been paid to the remaining Owners. Any required amendments and the quitclaim deed shall be prepared at the direction and expense of the HOA.

Section 14.4. Mortgagees. If the award to a Owner is not sufficient to pay in full the balance of any mortgage on such Apartment, then any General Common Elements payment by the HOA to the Owner shall be payable jointly to the Owner and his mortgagees.

Section 15: First Mortgagees

The following provisions are intended for the benefit of and may be enforced by the First Mortgagees and no amendment to this Section shall be effective unless approved in writing by at least seventy-five percent (75%) of the first Mortgagees (based on one (1) vote for each first mortgage owned.)

Section 15.1. Notice of Default. The Board of Directors, whenever so requested in writing by a First Mortgagee, shall give written notice to such First Mortgagee of any default by a Owner in the performance of his obligations under the Master Deed, these Bylaws or the Rules and Regulations which is not cured within thirty (30) days.

Section 15.2. Notice of Damage. The Board of Directors of the HOA shall promptly notify any First Mortgagee of a damaged Apartment when such damage exceeds \$1,000.00, and the Board of Directors shall promptly notify any First Mortgagee of any damage to the General Common Elements when such damage exceeds \$10,000.00 and any condemnation for similar proceedings which may affect a First Mortgagee.

Section 15.3. Notice of Amendments. The Board of Directors of the HOA shall give notice to all First Mortgagees on record with the HOA at least seven (7) days prior to the date on which the Owners, in accordance with the provisions of these bylaws, will vote to amend the Master Deed or Bylaws.

Section 15.4. Membership Meetings. The First Mortgagees or their agents and representatives shall be entitled to attend Membership meetings of the HOA and shall have the right to speak thereat.

Section 15.5. Books and Examination of Books and Records. Each First Mortgagee shall have the right to examine the books and records of the HOA and to receive copies of the annual budgets, audits and other financial reports.

Section 16: First Mortgagee and Owner Approval

Except as provided by statute or in case of or substantial loss to the Condominium Project, unless at least seventy-five percent (75%) of the First Mortgagees (based upon on (1) vote for each

mortgage owned) and Owners (other than the Developer) have given their proper written approval, the HOA shall not be entitled to (a) by act or omission, seek to abandon or terminate the Condominium Project, (b) change the prorate interest or obligations of any Apartment for the purpose of: (i) levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards or (ii) determining the prorate share of ownership of each Condominium Apartment in the Common Elements or (c) partition or subdivide any Apartment, (d) by act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer the common elements (the granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Elements by the Condominium Project shall not be deemed a transfer within the meaning of this loss), or (e) use hazard insurance proceeds for losses to any Condominium Project (whether to Apartments or General Common Elements) for other than the repair, replacement or reconstruction of such Condominium Project.

The foregoing provisions shall not be deemed in any way to limit the rights a particular Owner and his or her First Mortgagee may have with respect to matters affecting such Apartment.

Section 17: Rules and Regulations

The Board of Directors shall have the right to make and amend rules and regulations governing the use of the Condominium Project which shall be binding on the Owners from the time of their adoption. Such rules and regulations may limit the use of the Common Elements to Owners and their agents as well as provide for the exclusive use of a part of the Common Areas by an Owner or his guest for special occasions, which exclusive use may be conditioned upon a fee to the HOA. A copy of the rules and regulations shall be provided to all Owners. Any rule or regulation may be amended from time to time by the Board of Directors provided that such amendment must be approved by two-thirds (2/3) vote of the Owners present at a meeting noticed for the purpose of amending the rules and regulations, either at a special or annual meeting, after establishment of a quorum. Such rules and regulations shall be enforceable as hereinafter provided, but nothing herein shall be construed as permitting the Directors to make or amend rules and regulations contrary to the property rights of the Owners of the HOA or contrary to the provisions of the Master Deed or these Bylaws or the law of the State of Tennessee.

Any violation of the rules and regulations shall be enforceable by a penalty fee which will be assessed as an annual assessment but payable within thirty (30) days of the written notice of the assessment. The Board of Directors will adopt a schedule of fees for violation of the various rules and regulations. Such fees will also include the cost of the administration and enforcement of said violation. Collection of any late fees or assessments shall be enforceable as a lien against the Apartment and notice of such shall be recorded with the Knox County Register of Deeds the same as any other assessment lien set forth herein.

Section 18: Remedies

The failure of any Owner to comply with any of the terms of the Master Deed, Bylaws or the rules and regulations as the same may from time to time be amended shall be grounds for an action to recover sums due for damages or injunctive relief, or both, maintainable by the HOA on behalf of the Owners or, in a proper case, by an aggrieved Owner.

Section 19: Amendments

These Bylaws may be amended at any time by an instrument in writing signed and acknowledged by the Owners holding sixty-six and two-thirds percent (66 2/3%) of the vote in the HOA as determined in accordance with Section 5.8 hereof, which instrument shall be effective upon recordation in the Office of Knox County Register of Deeds; provided, however, that where a larger vote in the HOA is required for the HOA to take or refrain from taking a specific action as set forth in these Bylaws no amendment of these Bylaws shall be made unless and until the Owners holding such larger percentage of the vote in the HOA as determined in accordance with Section 5.8 hereof execute such amendment and the same is duly recorded in the Register of Deeds of Knox County, Tennessee.

Notwithstanding the foregoing, these Bylaws and the Master Deed contain provisions concerning rights, remedies, and interests of First Mortgagees. Such provisions in these Bylaws and the Master Deed are to be construed as covenants for the protection of the First Mortgagees on which such First Mortgagees may rely in making loans secured by deeds of trust on the Apartments. Accordingly, no amendment or modification of these Bylaws or the Master Deed impairing or affecting their rights, remedies or interests of a First Mortgagee hereunder shall be adopted without the prior written consent of Seventy-five (75%) the First Mortgagees (based on one (1) vote for each mortgage owned.)

Section 20: Miscellaneous

Section 20.1. Ad Valorem Taxes. Each Apartment shall be deemed to be a separate parcel and shall be separately assessed and taxed. Each Owner shall be liable solely for the amount of tax assessed against his Apartment and shall not be affected by the consequences resulting from the tax delinquency of other Owners. All tangible personal property owned by the HOA in connection with the maintenance, upkeep and repair of the General Common Elements shall be listed for tax purposes in the name of and paid by the HOA.

Section 20.2. Partial Invalidation. Invalidation of any covenant, conditions, restriction or other provision of the Master Deed or these Bylaws shall not affect the validity of the remaining portions thereof which shall remain in full force and effect.

Section 20.3. Binding Effect. The provisions of these Bylaws shall be binding upon and inure to the benefit of the Owners, their heirs, successors and assigns.

Section 20.4. Gender, Singular, Plural. Whenever the context so permits, the use of the singular or plural shall be interchangeable in meaning, and the use of any gender shall be deemed to include all genders.

Section 20.5. Governing Law. The provisions of the Master Deed and these Bylaws shall be governed by and construed in accordance with the laws of the State of Tennessee.
