

51115 LED

Commercial-Industrial Ceiling Square

Designed for illumination of commercial indoor/outdoor applications such as commercial parking areas, mechanical rooms, retail, covered loading docks and utility areas. And now with the newest in LED technology, these luminaires provide a cost effective and capable lighting solution while saving energy. The **Low Profile** housing is constructed of die cast aluminum with a textured polycarbonate lens to reduce the glare effect of the lit luminaire, and silicone gasket to keep bugs and dirt out. Optional photo cell and custom colors available. Limited 5-year warranty against defects in materials and workmanship.

1200, 2400 or 3600 Lumens

Fixture: 12" x 12"

50,000 Hour projected LED life

5 year warranty

NEW low profile design!

Proudly manufactured in the USA
