Decontamination supervisor certification

Certification number: ML-1529

Dear Robert Yarbrough:

The Hazardous Materials and Waste Management Division of the Colorado Department of Public Health and Environment (the Department) has reviewed the application for certification as a Decontamination Supervisor under CCR 1014-3, Regulations Pertaining to the Cleanup of Methamphetamine-Affected Properties (the Regulations). The Department has determined the application to be complete and a test administered by the Department was successfully passed.

The Department approves the application and issues the attached certification for Decontamination supervisor. This certification shall expire on 3/29/2025 .
