# Welcome to Raya Workforce

Delivering High-Quality  
Staffing Solutions for Every  
Industry

At Raya Workforce, we specialize in connecting businesses with top-tier talent across diverse industries. With years of experience and a candidate database of over 2 million skilled professionals across the USA, we ensure that you have the right people to drive your operational success.

### Our Expertise

We understand the unique challenges that different sectors face when it comes to staffing. From construction and manufacturing to oil & gas, transportation, supply chain, hospitality, and beyond – our tailored staffing solutions are designed to meet your specific needs.

# Our Services

At Raya Workforce, we offer a range of flexible staffing solutions, each designed to help your business thrive in a dynamic and competitive market.

## Temporary Staffing

- Quickly fill gaps with qualified temporary staff.

## Permanent Staffing

- Connect with skilled candidates for long-term positions.

## Temp-to-Hire (Contract-to-Hire)

- Evaluate a candidate's fit before making a full-time commitment.

## Direct Placement (Direct Hire)

- Leverage our expertise to find the right person for key positions.

## Contract Staffing

- Hire experts for project-based needs without long-term commitments.

## Executive Search (Headhunting)

- Find top-level leaders with the skills and vision to drive success.

# Why Choose Raya Workforce?

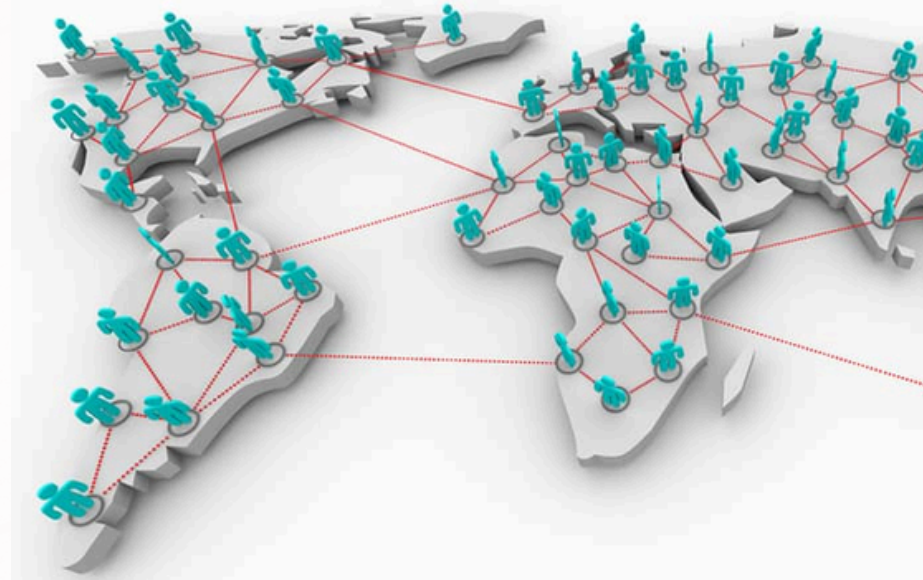

## Tailored Solutions

*Every business is unique. We take the time to understand your needs and deliver customized staffing solutions that fit seamlessly into your operations.*

## Extensive Network

*With a database of over 2 million candidates, our extensive network allows us to connect you with the right talent – quickly and efficiently.*

## Commitment to Excellence

*We pride ourselves on delivering top-quality service, ensuring that both our clients and candidates benefit from a seamless staffing process.*

# OUR MISSION & VISION

## Our Mission

At Raya Workforce, we're on a mission to connect talent with opportunity. We provide innovative staffing solutions that empower individuals and businesses alike. By fostering growth in industries like construction and manufacturing, we're committed to creating a thriving, inclusive workforce.

## Our Vision

Our Vision is a future where every individual has the chance to build a fulfilling career and every industry has access to a skilled, dedicated workforce. We aspire to be recognized as the premier staffing partner for our unwavering commitment to excellence, integrity, and innovation.

# Key Statistics: A Snapshot of Our Impact

Our track record of success is supported by a series of key metrics that demonstrate the scale and effectiveness of our staffing solutions. Here are some of the numbers that illustrate our reach and performance:

100+ Employees

2 Million+ Candidates

500+ Clients Served

98% CSAT

5-10 Days

100% Compliance

70% Repeat Business

Diversity Focus

# Our Team: Expertise and Collaboration

With a team of over 100 highly dedicated employees, we are well-equipped to serve your staffing needs. Our staff brings a diverse range of expertise, allowing us to understand and fulfill your requirements effectively and efficiently.

## Staffing Managers

Our staffing specialists are at the heart of our operations. They are responsible for identifying and placing candidates in roles that align with both the job requirements and company culture. Each specialist has deep knowledge of the industries we serve, allowing for highly targeted talent matches.

## Recruitment Consultants

Our recruitment consultants play a critical role in sourcing and screening top-tier candidates. They use innovative tools and strategies to locate talent, including leveraging digital platforms, conducting targeted outreach, and utilizing our proprietary database of over 2 million candidates.

## Account Managers

Our dedicated account managers serve as the main point of contact for our clients. They focus on building long-term relationships, understanding your evolving staffing needs, and ensuring that we provide seamless solutions at every step.

## Operations & Compliance Team

Our operations and compliance team is responsible for ensuring that every placement adheres to industry standards, legal requirements, and best practices. This team ensures the smooth running of our internal operations, allowing our recruiters and account managers to focus on delivering exceptional service.
