

Summer 2025

ABOUT US:

International Strategies Group, LLC is a Service-Disabled Veteran-Owned Small Business (SDVOSB/VOSB) committed to helping government, private sector and mission-driven organizations advance their objectives through effective planning, management, operations, and performance improvement. We also offer a suite of tailored solutions to fulfil your organizational needs.

OUR CORE SERVICES:

Strategy Development and Management Consulting - We specialize in helping businesses, government agencies, and nonprofits define their strategy, vision, set clear objectives, and chart a course for sustainable success. We focus on building an actionable Strategy and helping you execute across your organization.

Efficiency and Process Improvement - We guide you to optimize existing processes and increase efficiency while reducing costs using proven methodologies such as Lean and Six Sigma.

Training - We offer training to empower leaders, managers, and teams to navigate complex challenges, make decisions, and drive organizational success. Whether you're building a foundation for strategic thinking or refining advanced capabilities, our customized training programs deliver measurable impact.

Tailored Solutions - Give us your most pressing challenges, requirements, and standards and let us help your organization succeed.

WHY ISG?

Our team has operated across public, private, and nonprofit sectors and we dedicate ourselves to bringing that experience and those best practices to **solve your toughest challenges.**

Successful Past Performance:

Department of The Army
Army National Guard
Department of Energy
