

COMMUNITY STRONG

"**Serve Chico** is a church-wide community service day. At its heart, Serve Chico is about God's people coming together in a collaborative effort to demonstrate His love through service to our community. On Sunday, September 17th, volunteers of all ages came together to serve at the Torres Shelter. In four hours the volunteers painted 8 family rooms, the women's dormitory and the men's dormitory. Walls were washed, handles and other surfaces disinfected along with various other scrubbing, sweeping and mopping."

VOLUNTEERS MAKE A DIFFERENCE.

Monitor Assistants/Daily Living Services

Assists the Monitors in providing services for the guests. There are both morning and evening volunteer shifts available.

Meal Providers

An evening meal is served each evening at 6:00 p.m. Meal providers prep, cook, serve, and clean up. This is a great option for groups of volunteers!

Activity Volunteer

There are many additional onsite services our guests would benefit from: haircuts, chiropractic care, kids' activities, games or recreation activities, musical events, and classes (e.g. crafts, resume help, etc.).

Special Project/Event Volunteer

We have dozens of special projects and events every year. This could include: spring clean day, gardening day, or helping out at events at our table by providing information to the public about what we do!
