

ACTING I Open mono fall 04

I can't believe it.

Finally after all this time.

It's what we always dreamed about.

Whatever could be stopping you.

I've waited and waited

I'm changing

You're going to have to make a decision

I'm not going to stop.

What do you want

I can't help it

Without you

With you

Whatever you need

Whenever I can

I guess that's it
